

ACB - A Path to the Future

American Council of the Blind 59th Annual Conference and Convention

Virtual Convention

July 3 - 10, 2020

CONTINUING EDUCATION OPPORTUNITIES

Rehabilitation teachers and counselors, teachers of the visually impaired, low vision therapists, orientation and mobility instructors, and other professionals may earn continuing education credits at the 2020 ACB Virtual Conference and Convention. Topics include employment, technology, health and leisure, orientation and mobility, self-advocacy, braille, low vision, and much more. CEC's are recognized by the Academy for Certification of Vision Rehabilitation and Education Professionals (ACVREP).

Register on this page for individual sessions sponsored by ACB, its committees and special-interest affiliates, and leaders in the field of vision. You may also register for our new CE Flex Package, which can be used for programs and presentations that are meaningful to you from general sessions and the virtual exhibit hall; the schedule for these programs will be published prior to the convention.

ACB Conference and Convention dates are July 3 to July 10, 2020. [Click here](#) to download the 2020 schedule of sessions for which continuing education credits are available

Pre-registration for the conference and convention is open until June 21, 2020, and includes the ability to register for continuing education credits. Registration will also be open during the convention., so if you need to add hours to the Flex Package, or register for some other CEC session, you will be able to do so by calling the Minneapolis office at 612-332-3242.

Individuals registering for CE opportunities have several responsibilities:

1. You must arrive at each session on time, and you must stay for the complete session. A unique code will be announced at the beginning of each session, and another unique code will be announced at the end of each session. You must make note of these codes, as they cannot be obtained after the session is over.
2. Following the convention, you are responsible for completing a continuing education report that will have been emailed to you prior to the convention; you must enter the codes from your CE sessions on this form. You must also complete a report and evaluation form for each session. This will provide feedback to the presenter and/or provider, and will help ACB improve its continuing education offerings in the future. Return all forms to ACB NO LATER THAN Aug. 15, 2020.
3. Upon receipt of your completed forms, ACB will issue your CE certificate, indicating the number of credits earned with ACB. You are responsible for submitting your certificate to ACVREP.

Please share this information with schools, agencies and private contractors in your state so that others may take advantage of this great opportunity. For more information, contact Carla Ruschival, continuing education chair, by phone at 1-877-630-7190, or by email at continuingeducation@acb.org.

Continuing Education Flex Credits for ACB General Sessions and Virtual Exhibitor Sessions

This year you may purchase a block of CEC hours to be used in selected ACB General Sessions and /or Virtual Exhibitor Sessions. See the CEC Tab on this website for more information. After you have registered, if you find you need to purchase more hours, you may do so by contacting the ACB office at 612-332-3242.
